This website employs cookies to make a better, smarter and more efficient visit experience; therefore, small text strings will be stored on your browser's directory. Cookies differs according to their functionality and site-features.

ABOUT COOKIE

A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by this latter. The identifier is then sent back to the server each time the browser requests a page from the server.

Cookies can be deployed by the owner of the site and/or exploited by a third party.

COOKIES CATEGORIES

Temporary cookies are deleted when the navigation session ends

Long-lasting cookies are deleted by the expiry date

Technical cookies and local storing

These cookies are generated at first access and ensure the orderly site functioning and the visitor's best visual experience depending on the device used for browsing. Their deactivation might result in an improper visualization or preventing the interaction with some of its parts from failing.

Localstorage is aimed at navigation optimisation; it doesn't collect data on visitor's expressed preferences (eg. It saves a session-code after logging in, preventing the user to enter his credential once again in each private area)

| Cookie Name | Expiring date | Features |
|----------------|---------------|---|
| PHPSESSID | Temporary | Stores the session for the kitchen configuration. |
| s_composizione | Temporary | Kitchen configuration data. |
| APUser | Temporary | User-Kitchen configuration binding. |
| CiD | Temporary | Active configuration ID. |
| PHPExcel | Temporary | Quotation document generation. |

Functional cookies

These cookies consent to remember the visitor at following accesses, guaranteeing a better User Experience and improving the overall service quality.
